

CPE-POWERENG 2027
21st International Conference on Compatibility, Power Electronics, and Power Engineering
May 19 - 21, 2027. Badajoz, Spain

CPE-POWERENG 2027 Tutorial Proposal Form

Tutorial Title:

- **Duration: 120 minutes**
- **Abstract:**
  (The abstract should be 200–300 words)
- **Content outline (timed; durations must add up to 120 minutes):**

Duration	Topics covered
5 min	Intro
25 min	Title of the first section: short description of topics covered in this section.
25 min	Title of the second section: short description of topics covered in this section.
25 min	Title of the third section: short description of topics covered in this section.
25 min	Title of the fourth section: short description of topics covered in this section.
…	…
15 min	Q&A session

- **Methodology:**
  (Describe how the tutorial will be delivered: lectures, live demonstrations, simulations, hands-on exercises or case studies; the materials or tools that will be provided to attendees, such as slides, models or code; and how interaction with the audience will be encouraged. Approximately 100–150 words.)
- **Instructor(s) – photo and short bio:**

(Photo of instructor 1) ***Name of instructor 1*** *Affiliation (including country)* *e-mail.* *Short-bio (IEEE journal format)*	*(Photo of instructor 2)* ***Name of instructor 2*** *Affiliation (including country)* *e-mail.* *Short-bio (IEEE journal format)*
(Photo of instructor 3) ***Name of instructor 3*** *Affiliation (including country)* *e-mail.* *Short-bio (IEEE journal format)*	*(Photo of instructor 4)* ***Name of instructor 4*** *Affiliation (including country)* *e-mail.* *Short-bio (IEEE journal format)*
…	…

- **Contact e-mail of the lead instructor: test@test.test**

CPE-POWERENG 2027

21st International Conference on Compatibility, Power Electronics, and Power Engineering

May 19 - 21, 2027. Badajoz, Spain

CPE-POWERENG 2027 Tutorial Proposal
Additional Information

Format:

- ***Maximum pages***: *1.*
- ***First page***: *Try to maintain the first page with the already established format.*
- ***Font***: *Arial (different sizes depending on the style: 11, 8, 14)*

Submission:

- *Please send the completed form before 21 December 2026 to info@cpepowereng2027.org, with the subject "Tutorial proposal"*

General applicable conditions:

- *Tutorials are intended to be of value to practicing engineers and researchers, preferably addressing solutions to practical problems, on any subject within the scope of the conference.*
- *Each tutorial will be allocated a 120-minute time slot.*
- *Four tutorials will be selected by the organizing committee.*
- *All conference attendees will have free access to all tutorials.*
- *Tutorial speakers will not receive a conference fee waiver.*
